ROSE SHOW RULES

1. This show is organized and judged in accordance with the rules of the American Rose Society. This is an alphabetical show; horticulture entries in Specimen Horticulture Classes (Division I, Section B) will be made in alphabetical order with the first letter of the rose name determining placement in each class unless otherwise specified in this schedule.
2. Only San Francisco Rose Society members may take possession of Perpetual Trophies. Multiple awards and ribbons may be given, but only one **Best Entry** will be chosen in each class or subclass where the entries merit them. Judges may withhold any of these awards at their discretion. The decisions of the Judges are final.
3. The Show Chair will be responsible for interpreting the show schedule and enforcing the rules of the show.

All Exhibitors

4. No exhibitor will be allowed to remain on the show floor when judging begins except those with specific assigned duties.
5. Anyone is eligible to enter this show as long as the exhibitor grows the roses in their own private outdoor garden, except where stated in certain Arrangement Classes. All Horticulture entries become the property of the San Francisco Rose Society.

Horticulture Exhibits

6. In all Horticulture Classes one person per garden is considered an exhibitor; two or more persons tending the same garden are considered an exhibiting team. Judges of this show may enter the Judges Class as individuals. Arrangements are considered an individual effort and each member of an exhibiting team may enter their own creations.
7. Novices are urged to exhibit in all Divisions. A Novice is a person who has accumulated less than 50 points in an ARS sanctioned Rose Show and has not won the Novice Sweepstakes Award at an ARS sanctioned Rose Show. An Amateur is an exhibitor who has graduated from the Novice class having won more than 50 points as a Novice and/or has won the Novice Sweepstakes in an ARS sanctioned Rose Show.
8. Novices should write “N” on their entry tags on both the top portion **and the bottom portion** of the entry tag or risk not having points counted toward Sweepstakes. Points will be withheld if this designation does not appear on the entry tag. The Novice Sweepstakes Trophy will only be awarded to the highest points accumulated by a Novice exhibitor with the “N” designation on their entry tag.
9. If an exhibitor enters in both Novice and Amateur classes, all entries will be disqualified.
10. Entry tags must be complete; **both the top and the bottom portion of the tag should be filled out to receive proper credit.** You must name each variety

of rose used except as noted in this schedule. Tags must be folded so that the name of the exhibitor cannot be seen. Official ARS entry tags should be used. Challenge tags should be used for all Challenge Classes and Arrangement tags for Arrangement entries.

11. No exhibits, entry tags, containers or awards may be removed before the close of the show except by the Show Committee.
12. Only one entry of each variety is allowed in Specimen classes but there is no limit to the number of different varieties that may be entered. Only three entries per class are allowed in Challenge Classes. Three different entries are allowed in each of the Judges Classes.
13. Containers will be furnished according to availability for all Challenge, Horticulture and Judges Classes unless otherwise specified.
14. Wedges are permitted but should not protrude above the lip of the vase. A protruding wedge will be penalized.
15. Roses shown in one bloom per stem classes should be shown without side buds. These Classes include Hybrid Teas, Grandifloras, Floribundas, Climbers, Miniatures, Minifloras, and their climbing forms.
16. All spray classes (inflorescence classes) must be shown with two or more blooms per stem. A bud is NOT considered a bloom.
17. Shrubs and Old Garden Roses may be shown as Sprays or as One Bloom per Stem, whichever makes the better exhibit.

18. All Roses are allowed to have multiple stem on stem condition. They may have side buds but are subject to severe penalization in one-bloom classes.

Judging

19. Rose types and exhibition names will be determined by Modern Roses online database, the ARS Handbook for Selecting Roses, the ARS Official List of American Exhibition Names, the List of Recently Registered Roses on the ARS website. Details, especially of Old Garden Roses prior to 1867, should be double-checked in the *Modern Roses database*.

20. Specimens will be judged in accordance with the latest *ARS Guidelines and Rules for Judging Roses*. Arrangements will be judged in accordance with the latest *ARS Guidelines for Judging Rose Arrangements*.

21. Horticulture entries will be **disqualified** for:
 - a. Misnamed - if the rose is not the variety listed on the entry tag or an accepted synonym thereof.
 - b. Unlabeled, mislabeled – no entry tag, exhibitors name, class number or name of variety is missing.
